

Announcements:

Jess is now Communications lead, still looking for a Tech lead, please reach out to me if you are interested.

New team email: teamadidas2020@mit.edu

To Do:

Individual Research and literature review of foam and foam-and-plate materials - summarize

Derive expression for moduli for stacks of 2 and stacks of N

Develop plots and comment on trends

From Rubric: make sure to annotate graphs, and answer the following questions

What did you do to achieve the plot?

What insights did you gain?

Any suspicious data?

Team intro slides

Team Wiki and email (Jess)

Email to Sponsor about intro call (Gavin and Jess)

Sometime during the week of the 24th

Whoever can be there for the call great, don't think it's super important to have everyone

In the meantime we can come up with questions to ask during the call
