### Delivery

To be confirmed

### Conditions

- Prices are valid 30 days and apply to this proposal only.
- Please send orders to orders@gentec-eo.com
- Gentec-EO reserves the right to accept or reject a PO.
- Unless specified otherwise by the customer, the recommended calibration interval is 18 months for a new unit and 12 months for a recalibrated unit.
- Gentec-EO is ISO/IEC 17025:2017 accredited. Any statement of compliance is made without taking measurement uncertainty into account and is based on the instrument's specifications.
- For payment by credit card, a 3% fee is applied on amounts in excess of \$6,000.  
Example: For a \$10,000 order via credit card, an additional fee of \$120 is applied.
