

HRA Undergraduate Process Map [1.5]

This process flow represents the steps documented in [< HRA Business Process - Undergraduates >](#) and is intended to represent graphically the logical progression between functional business areas as the various Stakeholders perform their roles in the Undergraduate Housing Process from step to step.

Each horizontal lane above represents a distinct MIT business area or correlated pair of areas. Coded boxes correlate to individual entries in the aforementioned process document, where further detail on each component task may be found.
