Do you use Sophos Update Manager or do any of your endpoints update from Sophos directly?

WARNING: Your username and/ or password may have changed. Please check the credentials entered into your Sophos Update Manager (that updates from Sophos) or AutoUpdate policies are correct. For details on how to do this please refer to: <http://www.sophos.com/support/knowledgebase/article/42588.html>
If you do not update your credentials your computers may not be fully protected.
