

March 11th

Human Practices

veiya & protein sensing

Start & end with personal story

↳ w/ hope for family

↳ w/ us training school students

- watch sample AD documents

Talk to families through foundations

make a list of questions for each group

- add to Google doc

- we can work in pairs for this

↓
doctors
foundations
etc

work on finding a video camera

- basement of building 4?

- AT&T Rental

find sponsors

- ex. past MIT iGem teams

local Alzheimer's foundations?

nat'l org has a branch in MA

google doodle for meeting times
